Embed or Share QR Code

**You can embed this code in your website**

HTML-Code

```
<a href="https://www.the-qrcode-generator.com/"><img  
src="http://chart.apis.google.com/chart?  
chs=200x200&amp;cht=qr&amp;chld=|1&amp;chl=http%3A%2F%2Fwww.fult
```

This HTML-Code can be used to embed the generated QR-Code on any site.  
Alternatively, you can use the save button instead.
