

# Turn Clutter off

You may want to turn off Clutter in Outlook Web App, to avoid mail going to that folder in both in Outlook Web App and Outlook.

1. Sign in to [Office 365](#).
2. Select **Mail**.

3. On the top right corner of the page, go to **Settings** ⚙️ > Search for and select **Clutter**.
4. Uncheck the box and Save
